SCOTT DRAKE DEALERS NOW HAVE A SEAMLESS SOLUTION FOR RUNNING THEIR BUSINESS ONLINE

Scott Drake Enterprises has been working closely with River's Edge, Inc. and Expert Data Solutions, Inc. to make managing your Mustang business as simple as possible. The complete line of Scott Drake products can now be easily integrated with Auto PlusXP to manage all your products. Combine this with a custom built website from Expert Data Solutions, specifically designed to work with Auto PlusXP, and your business is ready to go online.

Auto PlusXP by River's Edge, Inc. is a complete software solution designed specifically for the automotive industry. Features include: Inventory Control, AAI compliant Catalog Building, Inventory Importing, AAI compliant Inventory Importing, Part Number Interchange, Part Number Alternate, Part Number Up Sale, Data Provider over-the-internet Inventory Importing, eCommerce Integration, Automatic Search Engine Optimization, Sales Order Entry, Service Order Entry, Full Accounting and more. As an Auto PlusXP user you can import from Scott Drake, enter or import your own data or even import data from many other distributors and manufactures. If you already have a business software program you are using, Auto PlusXP can

still be used to import and manage your catalog inventory data for CD Catalogs, Export to File, Printed Catalog Builder and online ecommerce with SEO. For more information visit www.rebsi.com

SQLCart eCommerce by Expert Data Solutions, Inc. includes features such as Photo Galleries, Classifieds Ads, Content Rotation, FAQs, Inventory image processing, message forums, Live Sales Chat, eMail Blasting and more. For more information visit www.expdatasol.com

The Scott Drake data library includes part numbers, images, descriptions, category and sub-categories, vehicle applications to make model and year, alternate and up-sale. As a Scott Drake dealer you simply need to purchase a "Key" from Scott Drake Enterprises for \$300 for the first year, enter the "Key" into Auto PlusXP, and our latest data is at your finger tips. *Note: continued use of Scott Drake data is not guaranteed. Access to data will be reviewed annually. You must show adequate sales figures to justify continued use of our data. \$100 yearly renewal fee will apply after the first year.*

64-73 DASH PADS (Original Ford Tooling)

Scott Drake and Universal Urethane have gone to great lengths to make their dash pads the best on the market. We start by using Ford's Original Tooling. Next we went to Ford's original supplier of vinyl for exact grain and texture. These dash pads are the finest available and easiest to install.
